SWIM LESSON GUIDE
YMCA OF DANE COUNTY
FALL 1 | SEPTEMBER 14–OCTOBER 1

STRONG SWIMMERS
SAFE KIDS
REGISTRATION IS OPEN NOW  Fall 1 | September 14–October 1

Here’s what we’re doing to make swim lessons SAFE FOR ALL:

- CDC guidance stipulates that the new coronavirus cannot spread via properly chlorinated and maintained pool water. All of our pools meet or exceed CDC health standards.
- Participants should only register for one class this session.
- A parent/caregiver (age 18+) needs to be in the water with children unable to pass the deep water test.
- Instructors will teach mostly from the pool deck. When they are in the pool, they will wear face shields.
- All classes are limited in size and will be held in 1–2 lane spaces so that social distancing can be maintained.
- All participants will have a temperature check and verbal health questionnaire upon entry.
- Individuals with a temperature of 100.4 or higher will not be permitted in the building.
- Only one parent/caregiver is allowed in the building with each child.
- Very limited seating, spaced at least six feet apart, will be available on the pool deck.
- All participants will exit class via the emergency door in the pool area.
- Swimmers are encouraged to arrive wearing swim suits and ready to swim so that they can bypass the locker room.
- Please arrive no more than five minutes before your scheduled class time to keep occupancy numbers within guidelines and walkways clear. Please exit the building as soon as possible following your child’s lesson.
- Goggles will not be available; please bring your own if needed.
- EVERYONE OVER THE AGE OF 5 MUST WEAR A FACE MASK upon entry, at check-in and while entering the pool area and on the pool deck. Masks should be removed while swimming. Replace masks after your lesson and as you exit the facility.

Open Swim Guidelines

- First-come, first-served
- Up to four lanes available
- One family per lane
- 30-minute time limit
- A parent/guardian age 18+ must accompany any children under 16 in the pool area and are encouraged to be in the water with them to enforce social distancing
- If children are six and under, a parent/guardian MUST be in the water with them
- No pool toys or flotation devices will be available for use, but you can bring your own

WHICH STAGE IS THE STUDENT READY FOR?

<table>
<thead>
<tr>
<th>Stage</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A / WATER DISCOVERY</td>
<td>Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention and the importance of supervision.</td>
</tr>
<tr>
<td>B / WATER EXPLORATION</td>
<td>In stage B, parents work with their children to explore body positions, floating, blowing bubbles and fundamental safety and aquatic skills.</td>
</tr>
<tr>
<td>1 / WATER ACCLIMATION</td>
<td>Students develop comfort with underwater exploration and learn to safely exit in the event of falling into a body of water in stage 1. This stage lays the foundation that allows for a student's future progress in swimming.</td>
</tr>
<tr>
<td>2 / WATER MOVEMENT</td>
<td>Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills: • Swim, float, swim—sequencing front glide, roll, back float, roll, front glide and exit • Jump, push, turn, grab</td>
</tr>
<tr>
<td>3 / WATER STAMINA</td>
<td>Having mastered the fundamentals, students learn additional water safety skills and build stroke technique, developing skills that prevent chronic disease, increase social-emotional and cognitive well-being and foster a lifetime of physical activity.</td>
</tr>
<tr>
<td>4 / STROKE INTRODUCTION</td>
<td>Students in stage 4 develop stroke technique in front crawl and back crawl and learn the breaststroke kick and butterfly kick. Water safety is reinforced through treading water and elementary backstroke.</td>
</tr>
<tr>
<td>5 / STROKE DEVELOPMENT</td>
<td>Students in stage 5 work on stroke technique and learn all major competitive strokes. The emphasis on water safety continues through treading water and sidestroke.</td>
</tr>
<tr>
<td>6 / STROKE MECHANICS</td>
<td>In stage 6, students refine stroke technique on all major competitive strokes, learn about competitive swimming and discover how to incorporate swimming into a healthy lifestyle.</td>
</tr>

The YDC coaching staff believes in proper development of its swimmers and wants to see them develop at a rate that will promote longevity in their participation on the team and in the sport of swimming. Staff will determine which practice group is the best match for each swimmer. Swim team members are expected to participate in at least one meet a month. Parents are expected to volunteer at YDC host meets. Swimmers must be YMCA members.

GROUP 1 (WHITE/RED)
The focus of this group is to develop/strengthen four competitive strokes along with starts and turns and become comfortable with competition. Swimmers need to be able to swim at least one length of the pool without stopping.

East
M 4:30-5:15 pm
TH 4:15-5:00 pm
Member Only $42/month

GROUP 2A (BLUE/BRONZE)
This group will focus on perfecting strokes, starts and turns. In addition, this group will be exposed to endurance/more advanced endurance based interval trainings and developing race strategies.

East
TU & F 4:00-4:45 pm
W 4:15-5:00 pm
